

WHAT PEOPLE ARE SAYING ABOUT NIGHTINGALE:

“Nightingale has been a revelation for getting our active sons to sleep, and keeping them asleep!”

- Adam

“I really like this product and set up was quite easy. I have it scheduled each night and love the fact I don’t need to do anything else. The stereo sound is quite effective.”

- Debbie

“Excellent product that is well designed. It is extremely compact and seamlessly works as described.”

- Bradley

“My wife and I both seem to be sleeping with fewer interruptions using the Nightingale. It helps mask extraneous sounds as well as my tinnitus.”

- Gary

“Living in the city, we have lots of exterior noise. Nightingale was a great replacement for our existing sound management.”

- Chuck

“Well done! This product is high quality and comes exactly as advertised.”

- Tim

“Since setting up our Nightingale, my wife and I have had the best sleep we’ve had in years. She has tinnitus, and with the Nightingale, it has disappeared. It has also helped me sleep better (she even says I’m snoring less). Even our cat and 2 dogs are sleeping longer and more quietly.”

- Mike

“Love Nightingale, so easy to set up right out of the box. A goodnight & sweet dreams.”

- Deborah
